YANNIQUE PERRY ARCHITECTURAL DESIGNER

Yannique joined the HRA team in 2018 as one of our architectural designers. Although new in field, she has a great knowledge of today's architectural and design software programs. As an intern back in the islands, she gained two years of experience in the hospitality field, she then went on to complete her masters of architecture. She believes that architecture has the potential to enhance people's lives by being socially and environmentally conscious. She is also a skilled renderer who brings our projects to life.
